

## LPS 2014 SUPER REGIONAL

## SAVANNAH, GA · JULY 7TH-8TH, 2014

Marriott - Savannah Riverfront 100 General McIntosh Blvd, Savannah, GA 31401 • 912 373 2001

Leuva Patidar Samaj of USA (LPS) is a non-profit organization with over 7,000 members throughout the United States. LPS will be holding its 2014 Super Regional in San Savannah, GA on July 7th - 8th, 2014. We would kindly like to request a sponsorship with the expectation that we can mutually benefit from this event.

Our members migrated to the United States beginning in the early 1960's. There are over 40,000 families of Leuva Patidars throughout the United States. The majority of our members are multiple hotel and motel owners with both franchised and independent properties. A major characteristic of our members is to preserve family values and heritage. This is the primary reason that our conventions attract families from all over the United States.

The purpose of the convention is to have our members network in a forum where they can discuss and share business ideas, promote our culture and family values, and unite together as Asian Americans. We strongly believe that the LPS Super Regional will provide an excellent opportunity for you to meet and interact with our members. Today, many of our members are passing their business to their children. At this convention, you can meet the decision makers of the current generation along with the upcoming generations of your entrepreneurs.

We would like to thank you in advance for taking the time in readying this letter. If you should have any questions regarding the Convention, our organization, or the attendees, please do not hesitate to call us. We hope that you can join us in making a difference in our organization, to promote family values, maintain tradition and help our members grow their businesses. We look forward to seeing you at the LPS 2014 Super Regional.
